our inspiration

Dedicated to everlasting memory of our beloved Father who had been constant source of our inspiration & existence. engrossed in metaphysical strains and beliefs with aspirations for philanthropic deeds for social & educational enhancement of Aryan Culture in society & country during his life Span.

Late Shri Ram Singh Yadav
(1943-1998)

Vision Mission

Vision

To provide knowledge, skills and value by focusing on quality teaching and the learning process for our student. To develop creative technical and medical professionals who can sustain the global transformation.

Mission

CERT & Shree Ram Group of Institutions aims to be a global institute. dedicate to creation. application dissemination of knowledge. skills & spirit of competitive excellence. building up a generation of world citizens and value driven professionals for the corporate world.

Objectives

- ◆ Generating new learning techniques.
- ◆ Improving teaching process.
- ◆ Expanding the information technology capacity.
- ◆ Strengthening the industry interactive network.
- ◆ Facilitating professional practitioner in searching out their potential.
- ◆ Inculcating team spirit among the learners.

Chairman & Managing Director

The CERT & SHREE RAM Group of Institutions was established in 1999 under the aegis of the Chitragupt Social Welfare & Educational Society. Society has been contributing tremendously to meet the indispensable demand of engineering graduates in the present era of global industrialization. The institute aims at grooming budding young professionals by equipping them with required knowledge and talent for their all round development.

The CERT Group of Institutions with its magnificent infrastructure labs. library, computers, faculty and staff is triumphantly running B.Tech courses in EC, CS, Civil, ME and also Master of Business Administration (MBA) and Diploma polytechnic in ME (Production), EC, CE. The other streams include BTC & LL.B Besides studies, the students are exposed to a strenuous, year round series of various personality development exercises to develop and expand their managerial and professional competency to pursue the desired goals in order to develop their potential as future entrepreneurs. Faculty members represent blend of high credentials and substantial experience to enrich the process of learning. The institute has the best placement record through its well knit Training & placement cell. Our students are working in national and international companies and organizations.

The Shree Ram Group of Institutions comprise medical courses B.A.M.S., GNM, ANM, D.Pharm. We are running Shree Ram Hospital with 100 beds for best medical facilities. With the passage of time, the Group of Institutions will reach the pinnacle of glory by producing highly talented world class dynamic professionals to overcome the turbulent milieu of mind-boggling, tempestuous times possessing sterling values of life such as honesty, truth, perseverance, persistence, commitment and self abnegation. They will thereby ignite their latent spark of creativity with a perfect blend of professional expertise and human values to meet the corporate needs of society where social justice and equality would reign supreme.

It is anticipated that CERT & Shree Ram Group of Institutions will strive to establish its exuberance particularly in the field of academics and placements by retaining the kernel ingredients and dominance of Aryan culture, civilization and its heritage to be more useful and more profitable to Indian society and produce ideal citizens for our country in future. We are sure that the entrants in different streams at CERT & Shree Ram Group of Institutions will find professional talent in abundance to be able to face the competitive world with poise of confidence, converting their dreams into reality.

DR. RAJENDRA YADAV

CHAIRMAN (LL.D.)
CERT & SHREE RAM GROUP OF INSTITUTIONS

DR. KANGNA YADAV

MBA, Ph.D., MANAGING DIRECTOR
CERT & SHREE RAM GROUP OF INSTITUTIONS

Society President & Vice President

The CERT & Shree Ram Group of Institutions is committed to academic excellence in our classrooms; relevant programs in our curriculum; and caring, personal attention to our students. One of our great strengths is the enthusiastic personal involvement of our trustees, administrators, faculty, staff, and alumni in creating a sense of community. We believe that the opportunity for higher education should be available to all who seek it, and we will continue to meet the ongoing challenges that higher education presents in the years ahead.

Our students are provided with the academic tools, practical skills, and "real world" opportunities necessary to advance as leaders in their professions and their communities. We encourage active participation in an education that challenges critical thinking, provides career preparation, instills values, and inspires lifelong learning. We realize that each student is unique and as a community, we strive to maximize that unique potential. World class Infrastructure, dedicated teaching fraternity, unimaginable academic achievements have become the rudimentary aspects of our development model. Our hope is our student, our belief is our values, and our work is our

Leadership, social responsibility and inclusiveness are the ingredients in our recipe to success. The success of Group is the conjugation of the quality, creativity and disciplined learning mechanism. In this complex world full of unique individuals and thousands of paths for each to take, we ardently wish for future progress prosperity by leaps & bounds

We look forward to having you join the CERT & Shree Ram Group of Institutions family.

Administration

Dr. Dinesh K. Sharma
Director-CERT

With a distinguished history spanning over 25 years, the College of Engineering & Rural Technology (CERT), Meerut has established itself as the premier institution of highertech education in the western U.P. The college has made a significant contribution to the development of the country by producing skilled professionals with cutting-edge analytical, creative, practical, and management abilities. Our students are serving the nation in a variety of ways by integrating all areas of teconomy, including the public, private, and government. Our experienced educators, cutting-edge facilities, and an innovative ecosystem, all assist students in developing the whole person needed to take on issues on a global scale and provide the best solutions. I strongly believe that we will continue to set standards in our quest of academic excellence and that CERT will soon become the ideal location for students aspiring to become the best professionals and an asset to the society.

Dr. Jitendra Rana
Dean Academics

The dynamics of global environment is changing and India is going through an interesting phase of transition both socially and economically. The emerging global economy requires special skills coupled with appropriate training and wide exposure to the state-of-the-art technical practices. Hailing from my cosmopolitan universal education is a pure global vision, coupled with the dedicated efforts of faculty members and students and a strong corporate connection, we as a team attempt to translate vision into action, we aim to prepare tomorrow's leaders. We assure to develop you a confident, vibrant and self-reliant in every sphere.

on behalf of the faculty members and management of cert group of institutions, welcome the new entrants and assure them that they will find the environment of CERT group campus very competitive, encouraging and satisfying.

Mr. Veerendra Singh
Registrar

On behalf of the Office of the Registrar, I'm pleased to welcome you all. This comprehensive document serves as your guide to understanding the academic programs, admissions process, and student support services offered at CERT. Our dedicated team is committed to providing a seamless experience for all students. We are here to assist you with navigating the application process, answering your questions, and ensuring a smooth transition to becoming a member of our vibrant academic community.

Dr. (Prof.) B.N.S. Jaggi
Director Placements

Dr. (Prof.) B.N.S. Jaggi is a seasoned academician and placement strategist with extensive experience in guiding students toward successful careers. With a strong academic background and years of expertise in industry-academia relations, he has been instrumental in building robust placement networks, fostering corporate collaborations, and preparing students for global opportunities. His dedication to student development, professional training, and industry readiness has contributed significantly to enhancing employability and career growth of graduates.

Why Study

at CERT & Shree Ram Group of Institutions?

- We are one of the best modern Institutes in NCR region in terms of students' satisfaction with our courses.
- Our portfolio of courses ranges from Engineering, Management, Polytechnic, BTC, LL.B. & Medical.
- Our campus - We are aiming at our campus to improve students' learning and social experiences. This includes a modernized library, excellent teaching facilities and state-of-the-art infrastructure for the students.
- The Group of Institutions has a vibrant students' community. All students have the opportunity to get involved with our various clubs to conduct a diverse range of activities.
- Lush Green Campus with Ultra Modern Amenities such as Wi-fi, Fully Furnished Classrooms, Auditoriums, Labs & many more

Department of

Computer Science & Engineering (CSE) & Computer Applications (BCA*)

Mr. Peeyush Tomar
(HOD)

Computers have brought a change in the field of research and development and discovery of all fields of engineering and science. Nowadays technologies like machine learning, multi-core processor, Artificial Intelligence and cloud computing are reshaping the landscape of computing and new challenges are emerging in computer science. But those with a genuine interest in computers and possibilities they present for business, science, communication and the world at large, just might find that a computer science degree is right up their alley. Salary package after completing B.Tech from computer science is 3.5-4.5 lakh INR per annum. Creating project specifications with team mates, developing, designing, testing etc. project managements, monitoring and commissioning plant and systems.

CSE Labs:

- Python Lab
- Operating System Lab
- C programming Lab
- Compiler Lab
- Computer Network Lab

Additional courses are provided like computer Graphics, Photoshop, Digital marketing, SEO.

All the labs are well equipped with computers having latest configuration. There is a complete arrangement of software and all desktops in the campus, are interconnected with LAN and internet using a bandwidth of 10mbps, high power UPS. LCD projectors are available for classroom presentation. Laptops have been provided to all the department for easier accessing to retrieve any information.

DEPARTMENT OF Electronics & Communication Engineering (ME)

CONNECTING CIRCUITS, CREATING THE FUTURE

Electronics and Communication Engineering (ECE) is a swiftly advancing field. with new ideas emerging every other seconds. Graduate engineers in this discipline will be equipped to design and fabricate, install, operate and maintain complex electronic circuits, equipments and systems. The course also covers designing security in communications, besides all the software and hardware required in the communication domain. The Mission of the ECE Department is to facilitate young Engineers to acquire technical exposure in the areas of Electronics and Communication Engineering. To prepare them for competitive examinations in higher education and employment with intellectual professional attitude. research aptitude, critical reasoning, analytical and technical skills & technical consultancy. To develop ability to apply knowledge. life-long learning entrepreneurial practices, ethical values and social concern. To impart professional education endowed with human values to the younger generation so as to transform them to be competent and committed engineers capable of providing solutions to the global challenges in deploying technology for the service of humanity. The average salary package after completing B.Tech. from Electronics and Communication is INR 3.5-6.4 Lakh per annum.

ECE Labs:

Basic Electronics Lab

- Digital System Design Lab
- Electronic Devices Lab
- Network Analysis Lab
- Integrated Circuits Lab
- Microprocessor & Microcontroller Lab

Mr. Davendra Yadav
(HOD)

Department of

Mechanical Engineering (ME)

Mechanical engineering is one of the oldest branch of engineering. It is also referred to as the 'mother' branch of engineering. Another appealing feature of mechanical engineering is that the application base of this field of study is extremely broad and diverse. The mechanical engineering department is dedicated to provide high quality and relevant engineering education to all students as per university specifications and industrial requirements. Mechanical engineers require a solid understanding of key concepts including machines, kinematics, thermodynamics, energy and manufacturing. The average salary package after completing B.Tech. from mechanical branch is INR 4.5-5.2 lakh per annum.

ME Labs:

- Engineering Workshop
- Heat Transfer Lab
- Materials Engineering Lab
- RAC Lab
- Fluid Mechanics Lab
- Thermodynamics Lab

Mr. Mohit Kumar
(HOD)

Department of CIVIL ENGINEERING (CE)

Civil engineering is the oldest engineering discipline after military engineering. The demand of civil engineers has increased due to tremendous growth in the infrastructure sector in India and Abroad. The department of civil engineering strives to create outstanding engineers. Advanced teaching techniques and learning aids are provided for undergraduate students. Engineers are employed by a wide range of companies in the United States, from small start up businesses focused on a new invention idea to large-scale companies that work on immense contracts. Engineers from different fields constantly work together to create successful products.

CE Labs:

Some main lab of civil engineering department are

1. Concrete Lab
2. Surveying Lab
3. Geotechnical Engineering Lab
4. Transportation Engineering Lab
5. Fluid Mechanics Lab
6. Soil Mechanics Foundation Engineering Lab
7. Public Health Engineering Lab
8. Hydraulic Engineering Lab
9. Strength of Material Engineering Lab
10. Building Construction & Maintenance Engineering Lab
11. Computer Engineering Lab

Mr. Rahul Sharma
(HOD)

Department of Management Studies (MBA) | (BBA)

SHAPING FUTURE BUSINESS LEADERS

The Department was introduced with a vision to create and equip prospective managers with leadership skills, lateral thinking, critical evaluation abilities, and ethical thinking, enabling them to become successful entrepreneurs and corporate leaders of tomorrow."

The department serves as a spotlight on management education which inculcates leadership with a profound understanding of business. MBA offers specialization in functional areas where the students can opt for two specialization out of the 7 offered: Marketing, Finance, IT, OM, HR and IB, CM in the 2nd year of the course. Department has well qualified and experienced faculty member who contributes with their expertise in developing the department.

Dr. Abha Sharma
(HOD)

SPECIALIZATIONS OFFERED

-  **Marketing**
-  **Finance**
-  **Information Technology**
-  **Operations Management**
-  **Human Resource**
-  **International Business**
-  **Cooperative Management**

INTERNSHIP OPPORTUNITIES

To meet out today's requirements we offer in-house internship opportunities to our students.

STUDENT DEVELOPMENT PROGRAMS

We provide student development programs on grooming their personality.

INDUSTRY-READY SKILLS

We impart management skills for transforming them into industry-ready professionals.

PARTICIPATIVE LEARNING

We focus on participative learning environment through various activities like Talkathon, Business quizzes and case studies.

Department of APPLIED SCIENCE & Humanities (ASH)

WHERE KNOWLEDGE MEETS INNOVATION

Applied science is the application of scientific knowledge to a physical environment and testing a theoretical model through the use of normal science or solving a practical problem. Fields of engineering are clearly related to applied science. Applied science is important for the technology development. The department of applied science is continuing from the date of its inception with a mission of imparting teaching and education, promoting implementation of practical aspects science and humanities to build a solid foundation as part of engineering. Globalization is creating an increase in demand for engineers who have the ability to deal effectively with professionals from different regions of the world. The department has highly qualified and experienced faculty who have vast knowledge bank. Students are encouraged to represent the college at different level in various activities such as paper presentations, workshops, seminars etc.

To provide quality technical education, besides taking care of the syllabus, the department emphasize on:

- ⇒ Regular courses on personality development.
- ⇒ Seminars to improve communication skills.
- ⇒ Ample scope for co-curricular and extra-curricular activities.
- ⇒ Need based and value added special training program in the campus.
- ⇒ Programmes for enhancing teaching skills of faculty.

ASH Labs:

- ⇒ Chemistry Lab
- ⇒ Physics Lab
- ⇒ English Language Lab

Dr. K.M. Babar
(HOD)

Dr. Navneet Kansal
(Principal)

CERT COLLEGE OF LAW

(Approved by BCI Delhi, Affiliated to by CCS University, Meerut)

The legal profession is an appealing and lucrative career choice due to its constant evolution and ability to help individuals and corporations navigate the ever-changing legal landscape. An individual is the smallest unit in society, and the rule of law safeguards their rights. The law establishes norms, maintains order, resolves conflicts, defends liberties and rights, promotes social justice, facilitates change, and provides a foundation for compromise and planning. Without the rule of law, society would be disorganised. Studying law Enhance one's understanding of power dynamics in society more than studying political science because law is directly linked to power and affects all aspects of life.

A legal career offers intellectual challenges, personal fulfillment, and financial rewards. At CERT College of Law, we spare no effort in preparing students for this exciting profession. Our faculty mentors, carefully chosen, are at the forefront of our endeavors to cultivate exceptional legal professionals for our nation.

SHREE RAM AYURVEDIC MEDICAL COLLEGE AND HOSPITAL, MEERUT

Approved by Ministry of Ayush and NCISM, New Delhi & Affiliated to Mahayogi Guru Gorakhnath AYUSH University Gorakhpur, Uttar Pradesh)

About the Institute

Shree Ram Ayurvedic Medical College and Hospital, a prestigious institute, ideally located on NH-58 near NCR in Meerut, approved by the Ministry of AYUSH and NCISM, New Delhi and affiliated with MGGAU, Gorakhpur and CCSU Meerut; was established in 2016 under the aegis of Chitragupta social and welfare society. Founded with a vision to be recognized as a leader in Ayurvedic education and research globally we has a mission to provide high-quality education that fosters ethical practices and holistic healing. Our core values include commitment to excellence, integrity, innovation, and community service. We nurture skilled and compassionate healthcare professionals to bridge traditional wisdom of Ayurveda with modern medical sciences for sustainable healthcare.

Prof. Dr. Sabiha Bano
Principal

Dr. Ravindra Nirwal
Vice-Principal

Course Offered and intake capacity

BAMS (Bachelor of Ayurvedic Medicine & Surgery)

- Duration: 4.5 years plus 1-year of internship
- Affiliation: Recognized by NCISM & Ministry of AYUSH, Government of India Annual
- Intake capacity- 60 seats in every academic session.
- Eligibility: 10+2 with Physics, Chemistry, and Biology; NEET (UG) qualification as per regulatory norms
- Admission Process- All the seats are allotted through counselling organized by State Government as per the merit secured in NEET (UG) [National Eligibility Cum Entrance Test -UG]
- Application: Apply online through our website or visit the college office.

Why Ayurveda and BAMS?

- Rising global interest in alternative and integrative medicine
- Booming wellness industry and medical tourism
- Holistic and Personalised tailor-made approach to diagnosis and treatment
- Focus on mind-body balance through yoga and pranayam
- A way to honor heritage and preserve culture

BAMS CURRICULUM

1 Prof.

- Rachna Sharir- Anatomy
- Kriya Sharir- Physiology
- Padarth Vigyan-Fundamental principles of Ayurveda
- Samhita adhyayan 1- Ayurvedic classical texts
- Sanskrit evum Ayurved itihas - Sanskrit and history of Ayurveda

2nd Prof.

- Dravya Gun- Pharmacognosy and pharmacology
- Agad tantra evum vidhi vaidyak-Toxicology and forensic medicine
- Sanhita Adhyayan 2- Ayurvedic classical texts
- Swathavritta and yoga-preventive medicine and yoga
- Roga vinyan evum vikriti vinyan-Pathology
- Rasa shastra evum bhaishajya kalpana- Pharmaceuticals

3rd Prof.

- Bal rog (Kaumarbhritya)- Pediatrics
- Prasuti tantra evum stri rog-Gynaecology and obstetrics
- Shalaky Tantra- Eye and ENT
- Shalya Tantra (Surgery)
- Panchkarma-Ayurveda Speciality
- Kayachikitsa-Medicine
- Research Methodology and medical statistics

1 year of compulsory internship after 4.5 Academic years

Campus Infrastructure and Facilities

- **Campus location and environment:** The institute is ideally located on NH-58, in Meerut NCR region, very accessible by road and Delhi-Meerut RRTS (Namo Bharat) Station. We have an expansive 5-acre campus which provides a serene, pollution-free environment for optimal learning.
- **Hostel & Mess facility:** Comfortable hostel accommodation with all necessary amenities is available for boys and girls separately and nutritious vegetarian meals are made available in the mess
- **Comprehensive Library & Digital Resources:** An extensive collection of Classical Ayurvedic and Modern Medical books, and research journals, along with online access to various national and international research journals.

Classrooms- (Modern classrooms with smart boards and projectors are available for better learning experience)

- **Advanced Well-Equipped Laboratories:** Cutting-edge facilities for practical hands-on learning in Rachna Sharir, Kriya Sharir, Dravyaguna, Rasashastra etc

THE LIVING WISDOM OF AYURVEDA

Ayurveda is a system of healing that has its roots in ancient India. It is thought by many scholars to be the oldest healing system existing on our planet. Ayuh means life and veda means knowledge. Ayurveda states that the purpose of life is to know or realize our true nature, and to express this in one's daily life. As a medical science its purpose is to heal and to maintain the quality and longevity of life. It is an art of daily living that has evolved from practical, philosophical and spiritual illumination. rooted in the understanding of Creation. According to Ayurveda. every individual life is a microcosm of the Cosmos. Ayurveda offers a profound understanding of each person's unique body, mind, and consciousness, which is the foundation of health and happiness. Vedic tradition is composed of highly spiritual wisdom and pure knowledge revealed through the hearts of enlightened rishis (ancient seers). It is not a creation made by the mind of humankind but rather a revelation from the hearts of meditative sages. This ancient wisdom came from the caves and mountains of India. Students came to study with them. and the rishis imparted knowledge as they experienced it in a deep state of meditation. This knowledge has been passed down through generations into the modern day. As a student at The Ayurvedic Institute you become part of this direct lineage and participate in carrying this living wisdom into the future. Panchakarma

Panchakarma

Panchakarma is the most eminent branch of Ayurveda. The name Panchakarma literally means "Five Actions" which is well-suited given the fact that this technique relies upon five distinctive basic activities that control the body namely Vomiting, Purgation, Niruham, Anuvaasan, and Nasyam. In other words, Panchakarma healing technique is a pillar on which majority of Ayurvedic techniques stand.

Panchakarma works best with the utilization of medicated oils that helps in eliminating the impurities from the human body, Panchakarma is the true manifestation of the Ayurvedic values and it lives up to its reputation.

AYURVEDA
Finds its home in the hearts of special beings whose dharma it is to preserve and maintain traditions of wisdom for the purpose of healing themselves and the world.

INFRASTRUCTURE

Books are the way to endless ocean of knowledge. A well managed library is the heart of an academic institute. The Group of Institutions has a library system which consists of central library and its five departmental libraries which collectively supports the teaching research and extension programmes. All students, faculty members and employees are entitled to make use of the library facilities by taking library membership. The library is 21st century knowledge centre to facilitate the transition of today's engineering society into a knowledge base society of tomorrow. The knowledge generated by the faculty and students has been digitized and made accessible through intranet and internet.

LIBRARY

- One of the richest library having more than 50000 books with 9000 title discipline's with engineering, medical, management, humanities of foreign and Indian writers.
- Many national and international journals in hard copy, educational general CD's.
- Along with the automation of library services, the institute has become a member of university, IIT, MHRD through NPTEL, & other major library networks through the connectivity of DELNET library facility.
- The library is issuing books to students to certain time period, after which they can be reissued. Book bank facility is also provided.
- The library remains open from 9:30 to 10:00p.m.
- Library provides free wireless internet access to students
- The library also provides appropriately equipped and configured computers for library users.

Transportation

We provide conveyance/bus facility to students and faculty coming from various parts of the city. The college bus also runs from Anand Vihar, Delhi up to the college & vice-versa. The institute provides transport facility to concerned persons on a no profit, no loss basis. The institute transport committee supervises the management for the transport activities.

Cafeteria & Canteen

The institute has a modern canteen & cafeteria to cater a variety of delicious finger licking and hygienic food/snacks with Nescafe & Cream bell counter. The cafeteria is kept open for 16 hours a day, it serves a wide range of eatables including tea coffee, samosas, burger, chowmein, dosa etc. and some essential stationery items too.

The students may refresh themselves by coming here. It is especially useful for the hostellers as it opened for the whole night during the examination period.

Sports

Sports and general activities are an essential part of any institute. They provide the basis of binding up team spirit and inculcate a feeling of sportsmanship in the individuals. Sports and games are also essential to build a healthy body, which only can house a healthy mind.

The institute as well as the hostel have several playgrounds and sports material inventory for overall and healthy development of student's personality. Management encourage both outdoor and indoor games with the support of playgrounds for the cricket, football, badminton, hockey, lawn- tennis etc. for indoor games table tennis, chess, carromboard etc. The institute also organizes sports and athletics meets from time to time.

Gymnasium

There is a gymnasium with ample facilities for the development of the health of the students. Modern gym cum fitness centre with all exercise equipments and machines, is there for the students. Fitness instructor is also appointed to guide the students.

Guest house

Well furnished separate guest house for faculty, professors and visitors with a capacity of rooms.

Hostel Facility

The management is committed to provide a pleasant high-spirited environment to the students. where they can develop team-spirit, co-ordination and can move one step ahead of the latest requirement of civilization. The hostel is provided with a pleasant and pollution free environment, so that the students can feel and enhance their creative skills and can concentrate upon their studies in a better way. Hostels and mess staff is always there to help the students and serve hygienic and nourishing food at meal times

Separate hostels are there for boys and girls in the campus with all modern furniture & fixtures. along with following facilities..

- RO drinking water
- Attach washroom in the rooms
- Wi-fi in the hostel
- Round the clock security
- Large and fully furnished mess, separate for boys and girls, healthy hygienic meals.
- The members of the resident faculty are assigned as wardens to take care of the hostel student.

TRAINING & PLACEMENT CELL

The Institute believes that every student is a valuable resource. The placement cell concentrate on each student for his/her right career prospect and assist him/her in achieving the same. the students are placed thought the campus recruitment programs. the training and preachment cell committed to fulfill the dreams of all those who graduate from CERT & Shree Ram Group Of Institutions in the span of more than decade since its inspection.

Educators Meet-Up

An inspiring gathering of passionate educators aimed at sharing innovative teaching practices, fostering collaboration and building a stronger academic community.

Talkathon 2025

A dynamic platform where thought leaders and participants engage in impactful discussions on Bridging the gap between academia & Industry with enthusiastic involvement from students of other colleges, adding diverse perspectives and fresh insights.
